Re: Privately Initiated Sign Code Amendments for Mall of America and the
Class VI Sign District
Our File No.: 27171-72

Dear Mr. Markegard:

I confirmed with the City Attorney that the City intends to publish the sign code amendments in Case 10000E-14 on Thursday, November 27, 2014. Based upon this representation, my client has agreed to withdraw the privately initiated sign code amendments for the Class VI sign district. On behalf of our client, we appreciate the many hours that staff put into this project and look forward to working with you on the processing of the master sign plan for Phase IC of Mall of America.

If there are any questions regarding this matter, or if I am mistaken about publication of the ordinance, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "William C. Griffith".
